St Thomas Aquinas famously said: 'If only my soul is saved, I am not saved.' And yet many Christians do think that our ultimate goal is, by the grace of God, to end up as souls in Heaven.

No, I am a human being, body/soul. If I am to be saved, then this stardust, this fraction of material creation, this earthling, needs to be immersed into Divine energy and light.

The Transfiguration of Jesus Christ, especially as recounted in the other gospels, shows what happens when human nature is in total communion with God. Every molecule of his body was evidently pulsing with Divine energy and light. The amazing truth is that God ardently desires that each one of us should share in the transfigured life of Our Lord Jesus Christ.

For this to occur, we must play our part, accepting that Jesus of Nazareth is indeed the Beloved Son of God, listen to him, and put into practice what we hear.

We could take a moment to pray that after the "repose of the soul" after death, we may participate as bodysouls in the transfigured humanity of the Risen Lord.

## Prayer for being Transformed

Lord, You met with Christ on top of a mountain and he was transformed with brightness and descended with renewed strength.

Lord, we want to meet with you and be transformed by you and to bring your transformation to the world around us.

Help us to bring your presence to the lives of those burdened with sickness or pain, and those weighed down with confusion or grief. Bring your healing touch to those lives today, and let us support those we know in need with a constant friendship.

Help us to bring your change to a troubled society, where people are unsure of so much and where change comes so fast. Give us the grace to understand people's problems and anxieties and help us to work together to transform a needy world.

We ask this through Christ our Lord. Amen.

## A Thought for the Week ( Pope Francis):

'Listen to Jesus and follow him. That's the message of the Transfiguration.'

## **Project Compassion Prayer 2018**

God of all peoples and nations, you accompany us on our Lenten journey. Through the life and mission of your son, you give us the gift of mercy. May we learn to walk your way of justice and compassion with all your people. In a special way, we keep in mind the children, women and men around the world who are most vulnerable to extreme poverty and injustice. In this Year of Youth, may we support young people as they recognise that through their efforts, their desire to change and their generosity, they too are participating in the building of a better world.

Bless our prayers, our fasting and our Lenten gifts to Project Compassion. Through these actions, may our hearts be open to receive your grace as we work towards a just future for all your creation. We ask this in the name of Jesus, Amen.

# Liturgy of the Word

*Second Sunday of Lent—Year B*

*Readings: Gen 22: 1-2, 9-13,15-18; Rom 8: 31-34 ; Mark 9: 2-10*

*Responsorial Psalm:*

***I will walk in the presence of the Lord, in the land of the living.***

## Gospel Acclamation:

Glory and praise to you, Lord Jesus Christ!

From the shining cloud, the Father's voice is heard:

this is my beloved Son, hear him.

Glory and praise to you, Lord Jesus Christ!

## Reflection on the Readings

The readings invite us to reflect on the transformative power of seeing more clearly and listening more deeply. The love which unites Jesus and the Father is the same love which embraces us. The readings also point to a call to discernment and a desire to learn about the blessings God showers on us. St Paul asks the powerful question “With God on our side, who can be against us?” When we recognise that God is for us we are transformed.

Rattanak's story featured this week by Caritas Australia's Project Compassion gives us a glimpse into a story of courage and transformation. Rattanak is twenty-nine and a barber in the village of Poh Krom in south-eastern Cambodia. From fever and becoming ill with polio as a child, Rattanak has some difficulty walking and is profoundly deaf.

Emerging from an isolated world at home in his early twenties, he gained skills at the Caritas supported Deaf Development Program. He can now use sign language to communicate and is now running a successful business, supporting himself, his wife and their newborn baby.

The program has been one of transformation for Rattanak. He can now understand and see the world in a whole new way. For Rattanak and other young people in his community, ‘a just future’ started with community. Listening to the scriptures today and to Rattanak's story has the power to transform us. We can be partners in working for a just future for everyone.
